TECHNOLOGY

INFORMATION COMMUNICATION TECHNOLOGY

INTERACTIVE SMARTBOARDS

PERCEPTUAL MOTOR PROGRAM (PMP) FOR PREP STUDENTS

HEALTHY EATING

CHILDREN AT PLAY

A VARIETY OF SPORTS CHILDREN PLAYING

DIVERSE MUSIC PROGRAM

ENJOYING ART

VOLUNTEERS WORK WITH OUR STUDENTS

IN THE RESOURCE CENTRE
Our main aim is to enable students to feel good about themselves as they use their initiative, think independently, respect each other and make informed, balanced choices.

The school strives to meet the needs of our school community by:

★ Extending each student’s individual potential by encouraging, recognising and rewarding achievement and effort.

★ Recognising each student’s strengths and utilising them for continued learning.

★ Providing an environment that is well maintained, safe and secure.

★ Developing in students qualities such as responsibility, communication, independence, creativity and problem-solving.

★ Specialist teachers provide programs in: Music, Visual Arts, Physical Education, Information Communication Technology and Reading Recovery.

★ Enrichment programs that support the curriculum include:
  - Students with High Potential
  - Annual School Musical
  - Bike Education
  - Sexuality Education
  - Swimming
  - Junior School Council
  - School Choirs
  - Recorder Groups
  - Book Club
  - Cultural Activities
  - Cross Age Tutors (from local Secondary College)
  - Meals on Wheels
  - Bright Futures Centre activities
  - Inter and Intra School Sports
  - Buddies
  - Excursions
  - Chess Club
  - Active After School Sports Program
